Keep It Simple Addictions Recovery Foundation is a registered not for profit foundation seeking to provide safe, clean and sober recreation for people in recovery and their family and friends. The KIS Club is heavily involved with supporting our local recovery centers and their clients. We host numerous 12 step meetings including AA, CA, NA, CMA, CODA and ALANON.

We have Sober Singles Dances every Friday and Saturday nights.

Kareoke on Sundays, Tuesdays and Thursdays.

We also provide daily activities such as cards, pool, computers with internet connection and arcade games.

Family Dances once a month.

As we are a not for profit organization and depend on outside sources for funding, we do charge a monthly fee of \$10 for access to the Club, or one-time access fee per day of \$2.

Connected to the club is a restaurant (KIS Club Cafe) with great food at reasonable prices. The two establishments work in conjunction with each other to provide recreation and refreshments to people of all ages.
