

Methamphetamine Information Session for Retailers and Pharmacists

Methamphetamine manufacturing is on the rise using common household items sold in your store. Be an active part of the community response to drug issues in St. Albert and the St. Albert area.

Presenter: Sgt. Harold Trupish
RCMP Clandestine Lab

When: Tuesday, June 8th, 2004
7:00 p.m.—8:30 p.m.

Where: Bellerose High School Cafeteria
49 Giroux Road

Presented as a joint project by the St. Albert Drug Response
Committee and the RCMP
